

CONTENTS

Research papers

- Immunophenotypic aberrancy in acute leukemia – a retrospective single institute study
Ehsan Asghari, Seyede Niyesh Radfar, Pardis Nematollahi 107
- Endoscopic sinus surgery training courses: Benefit and problems – a multicenter evaluation
Boon Han Kevin Ng, Ing Ping Tang, Prepageran Narayanan, Andreas Leunig 112
- Value of somatostatin receptor scintigraphy in patients with appendiceal neuroendocrine neoplasms based on clinical follow-ups
Sonia J. Konsek-Komorowska, Agnieszka D. Kolasińska-Ćwikła, Andrzej Cichocki, Eryk Chrapowicki, Katarzyna Roszkowska-Purska, Anna Nasierowska-Guttmejer, Jarostaw B. Ćwikła 116
- Maternal outcomes following second stage caesarean section in a tertiary hospital in Malaysia: A 6-year retrospective review
Nurul Nafzah Mohd Rashid, Nik Mohamed Zaki Nik Mahmood, Mohd Pazudin Ismail, Adibah Ibrahim, W Fadhilina W Adnan, Erinna Mohamad Zon 122
- Health literacy of Iranian adolescent girls and its determinants
Anitta Naghavi, Zahra Bostani Khalesi, Enayatollah Homaie Rad, Sahar Safshekan 128
- Effect of group problem-solving skills training on the severity of aggression in patients with bipolar I disorder
Saeed Vaghee, Maliheh Eshaghzadeh, Hamidreza Behnam Vashani, Negar Asgharipour, Seyed Mohammd Eshaghzadeh Namaghi 134
- The effect of cigarette smoking on serum levels of regulatory cytokines and molecules involved in atherogenesis during systemic treatment of psoriasis – results of a preliminary study
Natalia Zdanowska, Agnieszka B Owczarczyk-Saczonek, Joanna Czerwińska, Jacek J Nowakowski, Anna Kozera-Żywczyk, Witold Owczarek, Wojciech T Zdanowski, Zbigniew Swacha, Waldemar Placek 141
- The state of the red bone marrow in rats depending on age in case of poisoning with lead acetate and potassium dichromate
Zaure M. Aumoldaeva, Rustam R. Tuhvatshin 150
- Pathophysiological justification of age- and gender-dependent morphological changes in the adipose tissue in rat models of metabolic syndrome
Natalia A. Shutova, Olha V. Nikolaieva, Irina Yu. Kuzmina, Olena O. Pavlova, Inna O. Sulhdost 155
- Efficacy of minimally invasive therapy and laser therapy in the comprehensive treatment of endoperiodontal lesions
Nurgul Zh. Zholdassova, Ainur Amanzholkyzy, Azamat I. Kaikan, Yerik S. Isbulatov, Albina M. Nurtileuova 162
- Comparison of mivacurium and rocuronium in the microsurgery of the larynx
Lidia Glinka, Małgorzata Braczkowska, Anastasia Karakina 168
- The impact of active case finding among high-risk populations on the decline of tuberculosis incidence
Aleksandra Tomczak, Dominika Warmjak, Aneta Wiśniowska 174
- Parents' perception of physical activity and body mass in their children compared to BMI and physical fitness test results – examination of 8369 children
Aleksandra Niedzielska, Katarzyna Zaborowska-Sapeta, Marek Jankowski, Tomasz Kobus, Ireneusz Marek Kowalski, Michał Brzeziński 181
- Spirometry in the prophylaxis of respiratory system diseases – a retrospective study
Kamil Waczyński, Stefania Brejtfus, Anna Romaszko-Wojtowicz, Anna Doboszyńska 187

A COVID-19 micro-epidemic in the shelter for the homeless in Olsztyn <i>Michał Ochal, Robert Kuchta, Kornelia Tokarczyk-Malesa, Małgorzata Romaszko, Rafał Skutecki</i>	194
The effect of sodium selenate on biochemical and morphological parameters of blood and reproductive indicators of sheep of selected breeds used in the Czech Republic <i>Jan Miciński, Radek Filipčík, Jan Kuchtik, Miroslav Marsalek, Tomas Kopec</i>	199
Case reports	
Extreme hyperbilirubinaemia associated with choledocholithiasis without ascending cholangitis <i>Ikhwan Sani Mohamad, Syed Hassan Syed Aziz, Ong Yan Zie, Leow Voon Meng, Zaidi Zakaria</i>	206
Protrusion of ventriculoperitoneal shunt catheter tip through anus with silence abdomen <i>See Liang Lim, Mohd Shahrulسلام Mohd Shah, Norsuhana Omar</i>	210
Staphylococcal pneumonia as a complication of cellulitis <i>Ewa Mirosława Wygonowska, Agnieszka Owczarczyk-Saczonek, Waldemar Placek, Ewa Malinowska, Anna Doboszyńska</i>	214
Massive lower gastrointestinal bleeding in a young postpartum lady: A management dilemma <i>Nurul Hafiez Fijasri, Muhammad Sajjaad Keenoo, Iqtidaar Oaris, Andee Dzulkarnaen Zakaria, Zaidi Zakaria, Faezahtul Arbaeyah Hussain, Michael Pak-Kai Wong</i>	220
Dystrophic calcifications in case of a patient with systemic lupus erythematosus – case report and literature review <i>Anna Kruszezwska, Agnieszka Owczarczyk-Saczonek, Waldemar Placek, Magdalena Krajewska-Włodarczyk</i>	224
Multiorgan air embolism as a complication of ruptured gastric ulcer <i>Marek Kozwałczyk, Łukasz Klepacki, Waldemar Kurpiewski, Łukasz Dysko, Ewa Zieliński, Maciej Iwanowski, Lidia Glinka, Wiesław Pesta</i>	229
Comparative analysis within diagnostics and treatment of retroperitoneal schwannoma <i>Agnieszka Grabińska, Tomasz Ząbkowski, Sławomir Szymczyk, Anna Grabińska</i>	235
Native lung hyperinflation after single lung transplantation – case report and literature review <i>Kajetan Kielbowski, Nikola Ruszel, Seweryn Skrzyński, Maria Piotrowska, Tomasz Grodzki, Michał J. Kubisa, Bartosz Kubisa</i>	239
Review papers	
Pulmonary complications due to COVID-19 – a literature review <i>Anna Maria Romaszko-Wojtowicz, Anna Doboszyńska</i>	244
Percutaneous epidural adhesiolysis – treatment method for drug-resistant back pain <i>Andrzej Zawadzki, Marta Zawadzka, Mateusz Maciej Węcławicz, Wojciech Skrobot, Wojciech Kloc</i>	250
Letter to the Editor	
A call for the inclusion of a course on basic oral healthcare practice into the Nigerian nursing and midwifery education curriculum <i>Kehinde Kazeem Kanmodi, Precious Ayomide Kanmodi</i>	256
Corrigendum	
Corrigendum to: ‘Basics of physiological carrying babies’ [Pol Ann Med. 2021;28(1):94–98] <i>Wojciech Kiebzak</i>	259
Reviewer Acknowledgement	260
